Chairman Nick Huntington has announced the annual research conference of the California Leafy Greens Research Board to be held in Pismo Beach, California on March 19, 2019. The conference will be held at The Cliffs Resort located at the address listed above.

You are invited to join the Board for this day-long conference. This event provides an opportunity for researchers to present the results of their work to the leafy greens industry. A tentative schedule with the subjects of the researchers' projects is attached to this notice. We encourage interaction between researchers and industry representatives during the lunch break and during the reception which will follow the last presentation.

**MEETING REGISTRATION:**

**If you are planning to attend, please note there is a REGISTRATION FEE OF \$75.00 PER PERSON, which includes lunch, to be paid by check, and received no later than March 4th. The registration fee increases to \$90.00 after this date and you will need to notify the office by email or phone if you plan to pay after the March 4th deadline.**

Again, the **deadline for RSVP's is March 4, 2019**. If you have other colleagues joining you, please include that information on the registration form.
